MILITARY DISCIPLINE IN THE ARMY OF THE POTOMAC.—Military discipline, though neither novel nor interesting in the army, would present many scenes and incidents of curious interest to the uninitiated. Let us take a short walk through the regimental guard-house of this brigade. At the first, which is that of the 2d Rhode Island we see one with his knapsack strapped on his back, and a stick of wood weighing, say forty pounds, on his shoulder. With these he walks a beat of twenty paces for ten hours. Crime, absent from duty without leave and without reasonable excuse. Another walks a similar beat with knapsack and musket. He was corporal of the guard, but was reduced to the position of private, and sentenced to walk his twelve hours, for sending a private to post his guard while he slept. We pass to another guard-house. Here we find a man bucked and gagged. Crime, drunkenness. The operation consists in putting a stick in the mouth, with a string passed from each end around the back of the head. The bucking process consists of tying the hands securely, placing them over the knees, and running the stick through under the knees and over the arms. Still another has his hands tied together and fastened as far up a tree as he can conveniently reach. He, also, is gagged. These have three hours on and one off, for twelve hours. We pass to a third guard-house. Here is one who has skulked from duty. He has a large pile of stone to move some twenty feet, a task many times as arduous as the fatigue duty he shirked. Near by is a grave, fresh dug and rounded up, with a head sticking out one end. At his head stood a board prepared and marked, in large letters:

HERE LIES
the body
of
GEORGE MARS,
who fell
DEAD (DRUNK,)
Nov. 17, 1863.

Doubtless the good friends at home would think this severe, but it is deemed necessary for the discipline of the army, by military commanders at least.—*Correspondence Philadelphia Press.*

HEROIC BRAVERY.—The storming of the Ridge in the great battle before Chattanooga on the 26th ult., is thus described by an officer, in a report to the war department:

The storming of the ridge by our troops was one of the greatest miracles in military history. No man who climbs the ascent by any of the roads that winds along its front can believe that 18,000 men were moved upon its broken and crumbling face, unless it was his fortune to witness the deed. It seems as awful as a visible interposition of God. Neither Gen. Grant nor Gen. Thomas intended it. Their orders were to carry the rifle pits along the base of the ridge, and cut off their occupants; but, when this was accomplished, the unaccountable spirit of the troops bore them bodily up impracticable steeps, over the bristling rifle-pits on the crest, and the thirty cannon enfilading every gully. The order to storm appears to have been given simultaneously by Generals Sheridan and Wood, because their men were not to be held back, hopeless as the attempt appeared to military prudence. Besides, the generals caught the inspiration of the men and were ready themselves to undertake impossibilities."

TO BE HUNG.—Many will recollect a young man named Streeter, who was last fall arrested at Kenosha, Wis., for the commission of a horrible murder in Ohio. The crime with which he was charged was committed in Medina county, Ohio, about the 1st of July, and consisted in the horrible murder of three persons, Mr. Coy, his wife and child, who were butchered in cold blood by Streeter, and the house in which they were was then set on fire to hide the traces of the inhuman deed. The incentive to this wholesale butchery was the money which Streeter knew his victims to possess, and with which, accompanied by a young and interesting wife, he found his way up to this locality soon after the commission of his crime. We now learn by a paragraph from the Elyria Democrat, that the trial of Streeter has been brought to a close, and that he has been sentenced to be hung on the 26th of February next.

PHOTOGRAPHING ON STEEL.—A beautiful specimen of photographic engraving on steel—in other words, a photographic picture on steel—effected solely by the agency of light acting on certain chemicals, has recently excited great attention in London. The specimen is said to be quite untouched. It represents an exquisite scene in Java—a ravine and rivulet fringed with banana trees. Not the least wonderful circumstance connected with it is, that at least 5,000 can be taken before the plate deteriorates.

A NORWEGIAN BRIDE'S COSTUME.—When a Norse girl marries, she comes out for once in brilliant plumage. She decks herself out in the gaudiest of habiliments, with a profusion of gold and silver ornaments. The most conspicuous part of her costume is a crown of pure silver, gilt, and a scarlet cloth breast-piece, which is thickly studded with silver-gilt brooches and beads of various hues, besides little round mirrors! The breast piece and crown usually belong, not to the bride, but to the district! They are a species of public property hired out by each bride on her wedding day for the sum of about five shillings. This costume is gorgeous, and remarkably becoming, especially when worn by a fair-haired, blue-eyed, and pretty Norse girl.

THE EFFECT OF OUR COURTESIES TO THE RUSSIANS.—We have seen a private letter from a high source in St. Petersburg, which says that the receptions extended to the Russian naval officers in this country is producing the most gratifying results in St. Petersburg. "Go where I may," says the writer, "it is the theme of conversation—alike in the clubs, in the theatre, in the cafes, and upon the pave." The writer adds, that in an interview with Prince Gortschakoff, with which he had been honored, he found that officer completely overflowing with satisfaction at what he termed this "gorgeous demonstration." Nor, to the surprise of the writer, was Prince Gortschekoff ignorant of the smallest detail, for he even related many incidents of which our legation is said to have known nothing.—*N. Y. Evo. Post.*

Jackson St. opposite Presbyterian Church.

WE are now conducting one of the best Carriage manufactories in the West. We would call especial attention to our light

EUREKA ROCKAWAYS,

DAILY GAZETTE.

MILITARY DISCIPLINE IN THE ARMY OF THE POTOMAC.—Military discipline, though neither novel nor interesting in the army, would present many scenes and incidents of curious interest to the uninitiated. Let us take a short walk through the regimental guard-house of this brigade. At the first, which is that of the 2d Rhode Island we see one with his knapsack strapped on his back, and a stick of wood weighing, say forty pounds, on his shoulder. With these he walks a beat of twenty paces for ten hours. Crime, absent from duty without leave and without reasonable excuse. Another walks a similar beat with knapsack and musket. He was corporal of the guard, but was reduced to the position of private, and sentenced to walk his twelve hours, for sending a private to post his guard while he slept. We pass to another guard-house. Here we find a man bucked and gagged. Crime, drunkenness. The operation consists in putting a stick in the mouth, with a string passed from each end around the back of the head. The bucking process consists of tying the hands securely, placing them over the knees, and running the stick through under the knees and over the arms. Still another has his hands tied together and fastened as far up a tree as he can conveniently reach. He, also, is gagged. These have three hours on and one off, for twelve hours. We pass to a third guard-house. Here is one who has skulked from duty. He has a large pile of stone to move some twenty feet, a task many times as arduous as the fatigue duty he shirked. Near by is a grave, fresh dug and rounded up, with a head slicking out one end. At his head stood a board prepared and marked, in large letters:

HERE LIES
the body
of
GEORGE MARS,
who fell
DEAD (DRUNK,)
Nov. 17, 1863.

Doubtless the good friends at home would think this severe, but it is deemed necessary for the discipline of the army, by military commanders at least.—*Correspondence Philadelphia Press.*

HEROIC BRAVERY.—The storming of the Ridge in the great battle before Chattanooga on the 25th ult., is thus described by an officer, in a report to the war department:

The storming of the ridge by our troops was one of the greatest miracles in military history. No man who climbs the ascent by any of the roads that winds along its front can believe that 18,000 men were moved upon its broken and crumbling face, unless it was his fortune to witness the deed. It seems as awful as a visible interposition of God. Neither Gen. Grant nor Gen. Thomas intended it. Their orders were to carry the rifle pits along the base of the ridge, and cut off their occupants; but, when this was accomplished, the unaccountable spirit of the troops bore them bodily up impracticable steeps, over the bristling rifle-pits on the crest, and the thirty cannon enfilading every gully. The order to storm appears to have been given simultaneously by Generals Sheridan and Wood, because their men were not to be held back, hopeless as the attempt appeared to military prudence. Besides, the generals caught the inspiration of the men and were ready themselves to undertake impossibilities."

TO BE HUNG.—Many will recollect a young man named Streeter, who was last fall arrested at Kenosha, Wis., for the commission of a horrible murder in Ohio. The crime with which he was charged was committed in Medina county, Ohio, about the 1st of July, and consisted in the horrible murder of three persons, Mr. Coy, his wife and child, who were butchered in cold blood by Streeter, and the house in which they were was then set on fire to hide the traces of the inhuman deed. The incentive to this wholesale butchery was the money which Streeter knew his victims to possess, and with which, accompanied by a young and interesting wife, he found his way up to this locality soon after the commission of his crime. We now learn by a paragraph from the Elyria Democrat, that the trial of Streeter has been brought to a close, and that he has been sentenced to be hung on the 26th of February next.

PHOTOGRAPHING ON STEEL.—A beautiful specimen of photographic engraving on steel—in other words, a photographic picture on steel—effected solely by the agency of light acting on certain chemicals, has recently excited great attention in London. The specimen is said to be quite untouched. It represents an exquisite scene in Java—a ravine and rivulet fringed with banana trees. Not the least wonderful circumstance connected with it is, that at least 5,000 can be taken before the plate deteriorates.

A NORWEGIAN BRIDE'S COSTUME.—When a Norse girl marries, she comes out for once in brilliant plumage. She decks herself out in the gaudiest of habiliments, with a profusion of gold and silver ornaments. The most conspicuous part of her costume is a crown of pure silver, gilt, and a scarlet-cloth breast-piece, which is thickly studded with silver-gilt brooches and beads of various hues, besides little round mirrors! The breast piece and crown usually belong, not to the bride, but to the district! They are a species of public property hired out by each bride on her wedding day for the sum of about five shillings. This costume is gorgeous, and remarkably becoming, especially when worn by a fair-haired, blue-eyed, and pretty Norse girl.

THE EFFECT OF OUR COURTESIES TO THE RUSSIANS.—We have seen a private letter from a high source in St. Petersburg, which says that the receptions extended to the Russian naval officers in this country is producing the most gratifying results in St. Petersburg. "Go where I may," says the writer, "it is the theme of conversation—alike in the clubs, in the theatre, in the cafes, and upon the pave." The writer adds, that in an interview with Prince Gortschakoff, with which he had been honored, he found that officer completely overflowing with satisfaction at what he termed this "gorgeous demonstration." Nor, to the surprise of the writer, was Prince Gortschekoff ignorant of the smallest detail, for he even related many incidents of which our legation is said to have known nothing. —*N. Y. Eve. Post.*

HAS TAKEN A SET OF ROOMS at the MYERS HOUSE, where he will be permanently located and practice every department of

in all its branches. He will not only make teeth to order for his patients, but intends to keep on hand a large assortment of teeth for Dentists. He makes teeth so cheap that none need to go without teeth.—Every variety of style, from five to sixty dollars per set, and imitates nature with such precision that they cannot be distinguished from the natural teeth, with one exception, that is, they never *ache! He puts no nerves in them.*

Medicated Vapor Baths.

Doctor BURRUS is making arrangements to give medicated vapor baths at the Myers House, where the accommodations are ample for at least one hundred patients. He has attended lectures at three different medical colleges, and had opportunities of witnessing extensive clinical practice, besides spending several months at the Elmira Water Cure, N. Y. where there was from one to two hundred patients treated for every variety of chronic disease. More patients were cured by the vapor bath, of Rheumatism, Gout, Scrofula, Bronchitis, Asthma, Chronic Sore-throat, Incipient Consumption, and that class of diseases known by the name of Female Weakness, than by all other known remedies put together. There is no remedy so well adapted to the cure of skin diseases and so certain in its effects as the vapor bath. No doubt but it will be found an efficient remedy in *Diphtheria.*

The happy prospect of an amicable settlement of the differences between the city and county is obscured by the refusal of the mayor of the city to execute the necessary papers in the case, and the instructions of the county board of supervisors to commence a suit against the city. We have given the proceedings of the two bodies, the city council and the county board, in relation to this matter, and shall let it rest there, rather *hoping* than expecting that some future arrangements may be made for settlement.

The clerk was instructed to renew the insurance on the county buildings, on the same terms and amount as last year.

On motion of Mr. Bliss, the blank in the stipulation with the city of Janesville to submit to arbitration the tax matters in controversy between that city and the county was filled with the name of S. S. Holdredge, the county treasurer.

The chairman of the county board and S. A. Hudson were empowered to execute the stipulation on the part of the county.

Messrs. Cary and Hudson subsequently submitted the following report:

To the Board of Supervisors of the County of Rock:

We, the committee appointed to wait on the mayor and clerk of the city of Janesville, and perfect the papers for the submission of the differences between the county and city to arbitration, respectfully report that they have called on the mayor and clerk with said papers; that the mayor refused to execute said papers at present, and that he would not execute them until he had taken further counsel on the subject.

B. F. CAREY.
S. A. HUDSON.

The following preamble and resolution, introduced by Mr. Carpenter, was then unanimously adopted:

WHEREAS, a proposition having been received from the city of Janesville proposing to arbitrate the matters in defference relating to taxes, and said proposition having been agreed to by the county board, and a committee having been appointed by the board to call upon the Mayor and City Clerk to perfect the stipulation relating to the arbitration, and said Mayor refusing to execute said stipulation on the part of the city; therefore

Resolved, That the District Attorney be, and is hereby authorized and directed, immediately to commence such legal proceedings as may be necessary to compel the city of Janesville to pay to the county treasurer the full amount of all claims of the county against said city, and the clerk of the board is hereby authorized to employ any legal assistance which the District Attorney may desire in prosecuting such claims.

Mr. Hudson offered the following resolution:

WHEREAS, The committee appointed to call on the mayor and clerk of the city to execute the papers submitting the differences between the county and city to arbitration, having reported that the mayor refuses to execute said papers at present, and not until he had taken further counsel; therefore,

Resolved, That in case the city shall within one week execute said papers, that the clerk of this board, under the advice of the district attorney, be and he is hereby authorized to execute said submission papers on behalf of the county; in which case the resolution passed by this board ordering a suit to be commenced shall be rescinded—otherwise to remain in full force and virtue.

Last Night's Report.

WASHINGTON, Dec. 12.

Private advices received here to day from Richmond say the present session of the confederate congress will be a stormy one. The question of reconstruction will be fearlessly presented to the southern people by the conservative members from North Carolina. A great many members who were elected on the last ditch platform, are said to be secretly in favor of the policy advocated by the North Carolina conservatives. Joint resolutions will soon be introduced, taking strong grounds in favor of reconstruction.

A GOOD WORD FOR MR. LINCOLN.—In his Thanksgiving Sermon, H. W. Beecher spoke thus of the President:

"We owe a deep debt of gratitude to God for the Chief Magistrate of our land. He is wisely and surely pioneering the way to the liberty of this nation. One man there was whom God's hand had ordained to break our foreign bondage. If it were possible to honor more than another whom God has ordained to break the bondage of a worse oppression in our land, then the second should be greater than the first; but joined together, one and inseparable, we shall hereafter hear on jubilees the shouts "Washington and Lincoln the Fathers."

CURIOUS ORIGIN OF SOME WORDS.—Dr. Latham, in his grammar, gives some curious instances of the misspelling of words arising from their sound, which error has led to the production not only of a form, but of a meaning, very different from the original. Thus *Dent de lion*, originally referring to the root, has been corrupted into *dandelion*, having reference to the flaunting aspect of the flower. *Countre dance* has become *country dance*. *Shamefastness*, originally referring to the attire, has become *shamefacedness*, and applied to the countenance *Cap a-pie* has produced *apple pie order*. *Folio capo*, Italian for the first sized sheet, has produced *foolscap*. *Asparagus, sparrowgas; Girasole artichoke, Jerusalem artichoke. Massaniello*, the name of a famous Napolitan rebel and the hero of the opera, is nothing but *Mas Aniello*, a corruption of the true name, *Thomas Aniello. Hogoumont*, famous in the annals of Waterloo, is properly *Chateau Goumont.—Mass. Teacher.*

THE REASON WHY.—People were somewhat astonished last fall of the great falling off of the copperhead vote of Dodge county. Less than one year ago the opposition had near 1,800 majority, but at the last election their majority dwindled down to three or four hundred. The reason of this is thus explained by the Beaver Dam Argus, which says, in speaking of the list of drafted men in that county:

"We notice the names of several persons who skedaddled several months since. Some are in Wales, some in Canada, others are in other states, probably well concealed; and we notice the name of one who was sent to Nova Scotia by his father, immediately after the enrollment."

This is a satisfactory explanation of the great deficiency in the copperhead vote of that county and in others of like politics. They simply ran away.—*Mil. Sentinel.*

A COOL BOY.—A recent letter from Vicksburg says:

"On the morning of the 29th of June last, five boys, the eldest not twelve years old, were playing marbles at a residence back of the city, yet within the works, when a ten-inch shell fell into the ring, and a boy kicked it outside, calling on the other boys to fall on their faces, which they did. The shell exploded, only injuring one of the party.

In a post mortem examination of the body of Hiram Hunnell, late of this county, I found THREE well developed lungs, two on the left and one on the right side of his chest. His brother Frederick states that Hiram, when in health, could run ad libitum, without fatigue or apparent want of breath. Will some physiologist give us the rationale of this phenomenon?—*Monroe Sentinel.*

Gen. Gillmore has recently issued an order prohibiting the imposition of improper labor upon colored troops—they must be allowed the same opportunities for drill and instruction as are accorded to white soldiers.

YANKEE SHREWDNESS.—In Strong, Me., last week, half the population turned out to kill an alleged bear that had taken possession of a crooked point in a road, called the "Devil's Elbow." They bravely, but cautiously marched upon the enemy, and, with a volley of five balls, killed the largest and noblest Newfoundland dog in the country.

INCREASE OF CITIES.—The city of London in ten years has increased in population 441,753; New York, 290,104 souls, or 66.37 per cent., and Philadelphia 222,-484 inhabitants, or 65,43 per cent. The average number of houses during ten years built in London was 5,349; in New York, 1,668; and in Philadelphia 2,805. London has been settled 2,000 years, New York 249 years, and Philadelphia 178.

FURS.—St. Paul, Minnesota, claims to be the greatest fur market in the world, and supports that claim by the following list of furry animals killed this season: 3,500 buffaloes, 850 bears, 1,650 red foxes, 28,000 mink, 250,000 muskrats, 2,258 otters, 640 fishers, 1,600 martin, 79 cross fox, and 3,500 wolves.

A Cologne young lady, of high family connections, has been sentenced to a month's imprisonment for pulling feathers from a live ostrich in the Zoological Gardens of that city.

AN OLD SETTLER.—An old 400 pound bear, who must have ranked as major general in the bruin ranks, was brought into La Crosse on Tuesday, and sold for $20 to Mr. Miller, a Milwaukee shipper.

An Englishman, sent to New York to do up the correspondence of the London Herald, recently wrote to that journal that roasted apples, roasted on the trees by the heat of the sun, were sold in the streets at fifteen cents a peck, and that Seward, during the diplomatic trip, tried to drown the French embassador in a lake at the back of his house at Auburn.

TO THE STATE PRISON.—Charles and Julius Stanley, two brothers from Sheboygan county, convicted of horse stealing at the present term of the circuit court, and sentenced to the state prison for two years, were taken there recently.

☞ The story that thirteen blockade runners succeeded in getting into Wilmington on a single night recently, is pronounced to be untrue. The port of Wilmington is closely guarded by federal cruisers.

☞ The Illinois supreme court have sustained Governor Yates' action in proroguing the legislature last summer. Thus is the state of Illinois saved hundreds of thousands of dollars, and the Chicago gridiron street railway scheme falls to the ground, dead.

..Official Paper of the City.

Forever float that standard sheet—
Where breathes the foe but falls before us?
With Freedom's soil beneath our feet,
And Freedom's banner streaming o'er us!

All Afloat Again!

The happy prospect of an amicable settlement of the differences between the city and county is obscured by the refusal of the mayor of the city to execute the necessary papers in the case, and the instructions of the county board of supervisors to commence a suit against the city. We have given the proceedings of the two bodies, the city council and the county board, in relation to this matter, and shall let it rest there, rather *hoping* than expecting that some future arrangements may be made for settlement.

County Board of Supervisors.

WEDNESDAY, Dec. 9.

The board met and proceeded to business.

The committee on illegal taxes reported in favor of cancelling certain tax certificates. Adopted.

Bills to the amount of about $25 were audited.

Adjourned to 2 o'clock p. m.

TWO O'CLOCK P. M.

The board met, and the committee on justices and constables' accounts reported in favor of paying bills amounting to $129,-51. Adopted, and adjourned to to-morrow morning at 9 o'clock.

THURSDAY MORNING, Dec. 10.

The board met, and on reports of the proper committees, audited bills amounting to $10,27.

The bonds of Volney Atwood and Wm. A. Pickett, as superintendents of the poor, were approved.

The annual report of the superintendents of the poor were reported correct, and the bills and vouchers accepted.

Adjourned to 2 o'clock P. M.

TWO O'CLOCK P. M.

The committee to apportion the grand and petit jurors made their report, which was adopted.

A bill of D. L. Mills, late register of deeds, for $128, which had been previously before the board, and action on it postponed, was allowed at $50, as a full settlement.

Adjourned to to-morrow morning, at 9 o'clock.

FRIDAY, Dec. 11.

The board met pursuant to adjournment.

Mr. Bliss offered a resolution, which was adopted, fixing the salaries of the county superintendents ofschools at $600 each, to be drawn quarterly.

Mr. Hudson introduced an order instructing the county treasurer to pay an additional $5 per month from the relief fund to such widows of volunteers as are not entitled to relief from the state. Lost, ayes 2, noes 4.

On motion of Mr. Hudson, Catharine Moriarty, of the city of Janesville, was allowed from the relief fund the same amount appropriated to a woman with one child.

Two or three small bills were allowed.

Mr. Hudson offered the following resolution, which was adopted:

Resolved, That the act for the distribution of the relief fund be so amended that a married woman who was entitled to draw from said fund, but whose husband has died in the service, and shall receive a pension from the general government, shall be entitled to such sum from said fund as, together with said pension, will equal the amount which she would have received from the state and county had her husband remained in said service.

Adjourned to 2 o'clock P. M.

TWO O'CLOCK, P. M.

A resolution introduced by Mr. Bliss appropriating $400 for the purchase of wood for the jail and county offices, and instructing the clerk of the board to make the purchase, was adopted.

An appropriation of $15 was made to the chairman of the board for extra services.

A bill of $6,20 and another of 81 cents were audited.

A resolution, offered by Mr. Earle, was adopted, appropriating $50 for furniture for the offices of the clerk of the board and county treasurer.

A resolution, introduced by Mr. Carpenter, was adopted, appropriating $4600 for the support of the county poor the coming year, $1600 to be drawn the 1st quarter, and $1000 each of the remaining quarters of the year.

Adjourned to to-morrow morning at 9 o'clock.

SATURDAY MORNING, Dec. 12.

Board met pursuant to adjournment.

Several small bills were audited, during the course of the session, and an appropriation of $4 made to S. L. James, clerk of the board, for canvassing the votes of the late election.

The clerk was instructed to renew the insurance on the county buildings, on the same terms and amount as last year.

On motion of Mr. Bliss, the blank in the stipulation with the city of Janesville to submit to arbitration the tax matters in controversy between that city and the county was filled with the name of S. S. Holdredge, the county treasurer.

The chairman of the county board and S. A. Hudson were empowered to execute the stipulation on the part of the county.

Messrs. Cary and Hudson subsequently submitted the following report:

To the Board of Supervisors of the County of Rock:

We, the committee appointed to wait on the mayor and clerk of the city of Janesville, and perfect the papers for the submission of the differences between the county and city to arbitration, respectfully report that they have called on the mayor and clerk with said papers; that the mayor refused to execute said papers at present, and that he would not execute them until he had taken further counsel on the subject.

B. F. CAREY.
S. A. HUDSON.

The following preamble and resolution, introduced by Mr. Carpenter, was then unanimously adopted:

WHEREAS, a proposition having been received from the city of Janesville proposing to arbitrate the matters in defference relating to taxes, and said proposition having been agreed to by the county board, and a committee having been appointed by the board to call upon the Mayor and City Clerk to perfect the stipulation relating to the arbitration, and said Mayor refusing to execute said stipulation on the part of the city; therefore

Resolved, That the District Attorney be, and is hereby authorized and directed, immediately to commence such legal proceedings as may be necessary to compel the city of Janesville to pay to the county treasurer the full amount of all claims of the county against said city, and the clerk of the board is hereby authorized to employ any legal assistance which the District Attorney may desire in prosecuting such claims.

Mr. Hudson offered the following resolution:

WHEREAS, The committee appointed to call on the mayor and clerk of the city to execute the papers submitting the differences between the county and city to arbitration, having reported that the mayor refuses to execute said papers at present, and not until he had taken further counsel; therefore,

Resolved, That in case the city shall within one week execute said papers, that the clerk of this board, under the advice of the district attorney, be and he is hereby authorized to execute said submission papers on behalf of the county; in which case the resolution passed by this board ordering a suit to be commenced shall be rescinded—otherwise to remain in full force and virtue.

The vote being taken on this resolution, it was rejected. Ayes—Messrs. Bliss and Hudson. Noes—Messrs. Carpenter, Carey and Earle.

The committee on miscellaneous accounts reported in favor of allowing a bill for incidental expenses in organizing the battery of artillery in the city of Janesville. The board laid the report on the table, and Mr. Hudson subsequently had leave to withdraw it.

Last Night's Report.

WASHINGTON, Dec. 12.

Private advices received here to day from Richmond say the present session of the confederate congress will be a stormy one. The question of reconstruction will be fearlessly presented to the southern people by the conservative members from North Carolina. A great many members who were elected on the last ditch platform, are said to be secretly in favor of the policy advocated by the North Carolina conservatives. Joint resolutions will soon be introduced, taking strong grounds in favor of reconstruction.

CAIRO, Dec. 13.

Late accounts from below represent Marmaduke endeavoring to unite his forces with Price, who was said to be crossing Red River in Texas. Price's force is reduced, and would number less than 5,000.

A GOOD WORD FOR MR. LINCOLN.—In his Thanksgiving Sermon, H. W. Beecher spoke thus of the President:

"We owe a deep debt of gratitude to God for the Chief Magistrate of our land. He is wisely and surely pioneering the way to the liberty of this nation. One man there was whom God's hand had ordained to break our foreign bondage. If it were possible to honor more than another whom God has ordained to break the bondage of a worse oppression in our land, then the second should be greater than the first; but joined together, one and inseparable, we shall hereafter hear on jubilees the shouts "Washington and Lincoln the Fathers."

CURIOUS ORIGIN OF SOME WORDS.—Dr. Latham, in his grammar, gives some curious instances of the misspelling of words arising from their sound, which error has led to the production not only of a form, but of a meaning, very different from the original. Thus *Dent de lion*, originally referring to the root, has been corrupted into *dandelion*, having reference to the flaunting aspect of the flower. *Countre-dance* has become *country dance*. *Shamefastness*, originally referring to the attire, has become *shamefacedness*, and applied to the countenance *Cap-a-pie* has produced *apple pie order*. *Folio capo*, Italian for the first sized sheet, has produced *foolscap*. *Asparagus, sparrowgas*; *Girasole artichoke, Scrusa.em artichoke*. *Massaneillo*, the name of a famous Napolitan rebel and the hero of the opera, is nothing but *Masaniello*, a corruption of the true name, *Thomas Aniello*. *Hogoumont*, famous in the annals of Waterloo, is properly *Chateau Goumont*.—*Mass. Teacher*.

THE REASON WHY.—People were somewhat astonished last fall of the great falling off of the copperhead vote of Dodge county. Less than one year ago the opposition had near 1,800 majority, but at the last election their majority dwindled down to three or four hundred. The reason of this is thus explained by the Beaver Dam Argus, which says, in speaking of the list of drafted men in that county:

"We notice the names of several persons who skedaddled several months since. Some are in Wales, some in Canada, others are in other states, probably well concealed; and we notice the name of one who was sent to Nova Scotia by his father, immediately after the enrollment."

This is a satisfactory explanation of the great deficiency in the copperhead vote of that county and in others of like politics. They simply ran away.—*Mil. Sentinel*.

A COOL BOY.—A recent letter from Vicksburg says:

"On the morning of the 29th of June last, five boys, the edest not twelve years old, were playing marbles at a residence back of the city, yet within the works, when a ten-inch shell fell into the ring, and a boy kicked it outside, calling on the other boys to fall on their faces, which they did. The shell exploded, only injuring one of the party.

In a post mortem examination of the body of Hiram Hunnell, late of this county, I found THREE well developed lungs, two on the left and one on the right side of his chest. His brother Frederick states that Hiram, when in health, could run ad libitum, without fatigue or apparent want of breath. Will some physiologist give us the rationale of this phenomenon?—*Monroe Sentinel*.

Gen. Gillmore has recently issued an order prohibiting the imposition of improper labor upon colored troops—they must be allowed the same opportunities for drill and instruction as are accorded to white soldiers.

YANKEE SHREWDNESS.—In Strong, Me., last week, half the population turned out to kill an alleged bear that had taken possession of a crooked point in a road, called the "Devil's Elbow." They bravely, but cautiously marched upon the enemy, and, with a volley of five balls, killed the largest and noblest Newfoundland dog in the country.

INCREASE OF CITIES.—The city of London in ten years has increased in population 441,753; New York, 290,104 souls, or 66.37 per cent., and Philadelphia 222,-484 inhabitants, or 65,43 per cent. The average number of houses during ten years built in London was 5,349; in New York, 1,668; and in Philadelphia 2,806. London has been settled 2,000 years, New York 249 years, and Philadelphia 178.

FURS.—St. Paul, Minnesota, claims to be the greatest fur market in the world, and supports that claim by the following list of furry animals killed this season: 3,500 buffaloes, 850 bears, 1,650 red foxes, 28,000 mink, 250,000 muskrats, 2,258 otters, 640 fishers, 1,600 martin, 79 cross fox, and 3,500 wolves.

A Cologne young lady, of high family connections, has been sentenced to a month's imprisonment for pulling feathers from a live ostrich in the Zoological Gardens of that city.

AN OLD SETTLER.—An old 400 pound bear, who must have ranked as major general in the bruin ranks, was brought into La Crosse on Tuesday, and sold for $20 to Mr. Miller, a Milwaukee shipper.

An Englishman, sent to New York to do up the correspondence of the London Herald, recently wrote to that journal that roasted apples, roasted on the trees by the heat of the sun, were sold in the streets at fifteen cents a peck, and that Seward, during the diplomatic trip, tried to drown the French embassador in a lake at the back of his house at Auburn.

TO THE STATE PRISON.—Charles and Julius Stanley, two brothers from Sheboygan county, convicted of horse stealing at the present term of the circuit court, and sentenced to the state prison for two years, were taken there recently.

☞ The story that thirteen blockade runners succeeded in getting into Wilmington on a single night recently, is pronounced to be untrue. The port of Wilmington is closely guarded by federal cruisers.

☞ The Illinois supreme court have sustained Governor Yates' action in proroguing the legislature last summer. Thus is the state of Illinois saved hundreds of thousands of dollars, and the Chicago gridiron street railway scheme falls to the ground, dead.

DIED.

In this city, at early dawn, Sunday, Dec. 13th, 1863, Mr. AMOS PAGE, aged 46 years.

Printers Wanted.

We are in want of two good journeymen printers, to whom we can give full employment until the 1st of January.

DEATH OF AMOS PAGE.—We regret to announce the death of Amos Page. He died yesterday morning, after a long illness. Mr. Page has long been a prominent man in this vicinity, and was universally esteemed. He came into the west as one of the contractors on the old Rock River Valley railroad, and has since been extensively engaged in public improvements. When the rebellion broke out he was building a railroad in Texas, and left that state in consequence of the interruption of his work, and his unwillingness to participate in the treason which surrounded him.

He was on board the excursion train on the *Chicago and Northwestern* road when the fearful accident occurred near Watertown, and never fully recovered from injuries then received. Reverses and misfortunes followed some of his railroad operations, but a better fortune was recently smiling upon him, when he was removed from the scene of his labors and usefulness.

THE M. E. S. S. FESTIVAL ON CHRISTMAS EVE.—We learn from the committee that the arrangements for the festival as above are completed, and that everything is being done which will tend to make a "perfect success." The first hour will be devoted to original music, solos and choruses, original coloquies, and declamation. Next in order will be the distribution of the presents. After this, it is rumored that there will be an opportunity for persons to cancel their indebtedness to their pulates, and at the same time help swell the missionary fund; or, in other words, a social time and an oyster supper may be expected. The festival is to be held in Lappin's Hall. An admission fee of ten cents will be charged, and the avails go to the society. Tickets can be procured at D. D. Wilson's music store, and at the bookstores of Messrs. Sutherland, Dearborn and Moseley.

OUR SUCCESSORS.—As our readers must naturally feel a little curiosity to know something of the gentlemen who are to take charge of this paper on the first of January next, we copy the following complimentary notice of them from the Daily Life. The people of Rock county, who have given us such a liberal support for so many years, will observe that we have not disposed of our establishment, which they have done so much to build up, to unworthy or incompetent hands. The Life says:

NEWSPAPER CHANGE.—A. M. Thomson and W. G. Roberts have purchased the Janesville Gazette, and are to take possession of it the 1st of January. They have both been connected with us in the business of making a newspaper—Mr. Roberts for a number of years—and we can speak of them from personal knowledge.

Mr. Roberts is a thorough and practical printer in all its departments, industrious, energetic and faithful, and of excellent business habits. *He is honest in the grain, through and through, with not a shaky spot in him.* We would trust him with uncounted gold, to any amount, if we had it. For years he was foreman of the Free Democrat, and afterwards one of its editors. The business men of Janesville will find him trustworthy in all respects.

Mr. Thomson has been the editor and publisher of the Home League from its beginning, and has made it one of the best local papers in the state. He is a sharp and racy writer, who believes in *writing* what you *think*, and in *thinking* what you *write*. He is genial and humane, and believes the world was made for other people as much as for himself, and won't die of spleen if other newspapers prosper as well as the Gazette. He has good literary taste, and rhyme runs in his head as easy as water in a brook. He belongs to that class whom colleges *help*, but can't *make*.

FURS AND FUR GOODS.—See the advertisement of Wm. H. Brown. He has a large and excellent stock of goods.

ARRIVAL FROM THE 12TH BATTERY.—Sergeant S. C. Cheney, the accomplished gunner in the 12th battery, has arrived here, and will open a recruiting office for the battery, of which proper notice will be made. He left Chattanooga on the 2d inst., and reports the members of the battery all well.

RALLY! RALLY!!

The citizens of Janesville will meet at the

Court Room, Tuesday Evening, Dec. 16,

to take into consideration what measures are necessary to procure VOLUNTEERS and avoid the coming DRAFT in the city.

Beloit has raised volunteers to fill her quota already; other cities and towns are doing the same thing. Shall we be behind in the good work. We can avoid the Draft if we will. Shall we do it? Every man, woman and child is interested in the matter. Let them all attend the meeting.

MUSTERED IN.—Recruits were mustered in at Major Sitgraves' office, in Madison, as follows:

December	5th,	64 men.
"	7th,	13 "
"	8th,	24 "
"	9th,	24 "
"	10th,	100 "

GOOD ENLISTMENTS.—Maj. Henning and Capt. Conkey have enlisted over 200 men within the last month, in the 3d Wisconsin cavalry.

L. FLEISCHMAN,

Announces that he can be found at the

Hyatt House, for a few days,

From Rochester, Professional Optician and Manufacturer of the Improved Eye-Preserving Spectacles, &c. respectfully solicits ladies and gentlemen who are in the habit of wearing the Glasses now in common use, and which are so injurious to the sight, owing to their attracting heat and drawing the eyes, or whomay have had them impaired by the use of such *Glasses*, Weakness, Opacity, or any other defect, to make a trial of his

IMPROVED PERISCOPIC LENS.

These Glasses are made of the finest crystal, and constructed in accordance with the philosophy of nature, in the form of a concavo-convex mirror, and their transparency is so perfect that the wearer can only perceive he has them on by the improvement of the sight. The great novelty of them is the focus, which is disposed of in such a manner as to counteract the infirmity which it is intended to remedy. The material of which they are manufactured gives them a superior hardness and polish, which prevents their being defaced by scratches, and their coolness recommends them especially to those having weak and irritable eyes. The superiority and usefulness of these improved spectacles is fully demonstrated by the unanimous approval of the most celebrated physicians and oculists.

I know Mr L. Fleischman, Optician, &c, he is a citizen of Rochester, and can cheerfully recommend him to the confidence of all in want of his goods.

C. H. CLARK, Ex-Mayor.

Through a long and intimate acquaintance with Mr. L. Fleischman, I most cheerfully substantiate and endorse all that he is recommended to be in the foregoing certificate of C. H. Clark. W. H. BRIGGS, M. D.

A CARD.

Catarrh, Throat Diseases, Asthma, Bronchitis, Early Stages of Consumption, Liver Complaint, Diseases of Women, and all other Complaints that lead to Consumption.

Are treated in a new and eminently successful manner by Dr. Hale, who has a permanent office in the MYER'S HOUSE, JANESVILLE.

Catarrh and Throat Diseases always end in *Consumption*, hence the necessity of consulting a physician devoted to this specialty, before it is too late. Those who are trying patent nostrums, or waiting for the disease to "wear off" should think, while it is yet time, of those who waited but in vain, and gone down to the grave fallen victims to Consumption. Many might have been saved had they checked the disease while it was a Catarrh or inflammation of the throat.

All are invited to call and investigate Dr. Hale's mode of treatment, practiced by no other physician. Consultation free.

Persons unable to apply at the office may consult by letter, when question lists will be furnished them to give an accurate description of their case.

THE SINGER SEWING MACHINES.

OUR LETTER A FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for hemming, binding, felling, tucking, gathering, gauging, braiding, embroidering, cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance, how to use the letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes.

The Branch Offices are well supplied with silk, twist, thread, needles, oil, &c., of the very best quality.

Printers Wanted.

We are in want of two good journeymen printers, to whom we can give full employment until the 1st of January.

DEATH OF AMOS PAGE.—We regret to announce the death of Amos Page. He died yesterday morning, after a long illness. Mr. Page has long been a prominent man in this vicinity, and was universally esteemed. He came into the west as one of the contractors on the old Rock River Valley railroad, and has since been extensively engaged in public improvements. When the rebellion broke out he was building a railroad in Texas, and left that state in consequence of the interruption of his work, and his unwillingness to participate in the treason which surrounded him.

He was on board the excursion train on the Chicago and Northwestern road when the fearful accident occurred near Watertown, and never fully recovered from injuries then received. Reverses and misfortunes followed some of his railroad operations, but a better fortune was recently smiling upon him, when he was removed from the scene of his labors and usefulness.

THE M. E. S. S. FESTIVAL ON CHRISTMAS EVE.—We learn from the committee that the arrangements for the festival as above are completed, and that everything is being done which will tend to make a "perfect success." The first hour will be devoted to original music, solos and choruses, original coloquies, and declamation. Next in order will be the distribution of the presents. After this, it is rumored that there will be an opportunity for persons to cancel their indebtedness to their palates, and at the same time help swell the missionary fund; or, in other words; a social time and an oyster supper may be expected. The festival is to be held in Lappin's Hall. An admission fee of ten cents will be charged, and the avails go to the society. Tickets can be procured at D. D. Wilson's music store, and at the bookstores of Messrs. Sutherland, Dearborn and Moseley.

OUR SUCCESSORS.—As our readers must naturally feel a little curiosity to know something of the gentlemen who are to take charge of this paper on the first of January next, we copy the following complimentary notice of them from the Daily Life. The people of Rock county, who have given us such a liberal support for so many years, will observe that we have not disposed of our establishment, which they have done so much to build up, to unworthy or incompetent hands. The Life says:

NEWSPAPER CHANGE.—A. M. Thomson and W. G. Roberts have purchased the Janesville Gazette, and are to take possession of it the 1st of January. They have both been connected with us in the business of making a newspaper—Mr. Roberts for a number of years—and we can speak of them from personal knowledge.

Mr. Roberts in a thorough and practical printer in all its departments, industrious, energetic and faithful, and of excellent business habits. *He is honest in the grain, through and through, with not a shaky spot in him.* We would trust him with uncounted gold, to any amount, if we had it. For years he was foreman of the Free Democrat, and afterwards one of its editors. The business men of Janesville will find him trustworthy in all respects.

Mr. Thomson has been the editor and publisher of the Home League from its beginning, and has made it one of the best local papers in the state. He is a sharp and racy writer, who believes in *writing* what you *think*, and in *thinking* what you *write*. He is genial and humane, and believes the world was made for other people as much as for himself, and won't die of spleen if other newspapers prosper as well as the Gazette. He has good literary taste, and rhyme runs in his head as easy as water in a brook. He belongs to that class whom colleges *help*, but can't *make*.

FURS AND FUR GOODS.—See the advertisement of Wm. H. Brown. He has a large and excellent stock of goods.

ARRIVAL FROM THE 12TH BATTERY.—Sergeant S. C. Cheney, the accomplished gunner in the 12th battery, has arrived here, and will open a recruiting office for the battery, of which proper notice will be made. He left Chattanooga on the 2d inst., and reports the members of the battery all well.

RALLY! RALLY!!

The citizens of Janesville will meet at the

Court Room, Tuesday Evening, Dec. 15,

to take into consideration what measures are necessary to procure VOLUNTEERS and avoid the coming DRAFT in the city.

Beloit has raised volunteers to fill her quota already; other cities and towns are doing the same thing. Shall we be behind in the good work. We can avoid the Draft if we will. Shall we do it? Every man, woman and child is interested in the matter. Let them all attend the meeting.

MUSTERED IN.—Recruits were mustered in at Major Sitgraves' office, in Madison, as follows:

December	5th,	64 men.
"	7th,	13 "
"	8th,	24 "
"	9th,	24 "
"	10th,	100 "

GOOD ENLISTMENTS.—Maj. Henning and Capt. Conkey have enlisted over 200 men within the last month, in the 3d Wisconsin cavalry.

L. FLEISCHMAN,

Announces that he can be found at the

Hyatt House, for a few days,

From Rochester, Professional Optician and Manufacturer of the Improved Eye-Preserving Spectacles, &c. respectfully solicits ladies and gentlemen who are in the habit of wearing the Glasses now in common use, and which are so injurious to the sight, owing to their attracting heat and drawing the eyes, or whomay have had them impaired by the use of such Glasses, Weakness, Opacity, or any other defect, to make a trial of his

IMPROVED PERISCOPIC LENS.

These Glasses are made of the finest crystal, and constructed in accordance with the philosophy of nature, in the form of a concavo-convex mirror, and their transparency is so perfect that the wearer can only perceive he has them on by the improvement of the sight. The great novelty of them is the focus, which is disposed of in such a manner as to counteract the infirmity which it is intended to remedy. The material of which they are manufactured gives them a superior hardness and polish, which prevents their being defaced by scratches, and their coolness recommends them especially to those having weak and irritable eyes. The superiority and usefulness of these improved spectacles is fully demonstrated by the unanimous approval of the most celebrated physicians and occulists.

I know Mr. L. Fleischman, Optician, &c., he is a citizen of Rochester, and can cheerfully recommend him to the confidence of all in want of his goods.

C. H. CLARK, Ex-Mayor.

Through a long and intimate acquaintance with Mr. L. Fleischman, I most cheerfully substantiate and endorse all that he is recommended to be in the foregoing certificate of C. H. Clark. W. H. BRIGGS, M. D.

A CARD.

Catarrh, Throat Diseases, Asthma, Bronchitis, Early Stages of Consumption, Liver Complaint, Diseases of Women, and all other Complaint: that lead to Consumption.

Are treated in a new and eminently successful manner by Dr. Hale, who has a permanent office in the MYER'S HOUSE, JANESVILLE.

Catarrh and Throat Diseases always end in *Consumption*, hence the necessity of consulting a physician devoted to this speciality, before it is too late. Those who are trying patent nostrums, or waiting for the disease to "wear off" should think, while it is yet time, of those who waited but in vain, and gone down to the grave fallen victims to Consumption. Many might have been saved had they checked the disease while it was a Catarrh or inflammation of the throat.

All are invited to call and investigate Dr. Hale's mode of treatment, practiced by no other physician. Consultation free.

Persons unable to apply at the office may consult by letter, when question lists will be furnished them to give an accurate description of their case.

embracing all the novelties of the season, some of which have been imported direct from Paris, and are of the most elegant designs. Our stock of Cloaks will be kept full and complete during the fall and winter, and we are now prepared to manufacture Cloaks and Mantles to order, on short notice, and in any desired style.

In endless variety, amongst which will be found the Eugenia, Alboni, and Victoria striped, Scotch Plaids, Watervleit, Middlesex, square and long Wool shawls, single and double Broche shawls, in every variety.—These goods have advanced materially in price within the past two months, but having made purchases in Europe prior to the advance, enables us to sell with fair profit this class of goods much less than the prices of New York this day. For instance, we sell, as usual, a good silk and wool square Broche shawl at $5,00, and the balance at proportionate prices.

BALMORAL SKIRTS!

Our Stock of Domestics

Is still large and varied, having on hand many bales and cases of goods purchased by us before the great advance, and which we are selling this day less than New York wholesale prices. 800 pieces Prints suitable for bed comforters, at 12½ cents per yard.

At Less than Manufacturer's Prices!

BOOTS AND SHOES!

Having purchased the entire stock of Ladies' and Children's Boots, Shoes, and Rubbers, for net cash, from a manufacturer in New York city, we now offer this class of goods at from 25 to 40 per cent less than the present eastern wholesale prices. Ladies' Rubbers for 75 cents; best quality do for $1.00.

OUR STOCK OF MILLINERY

Our *Wholesale Department* contains a select assortment of Ribbons, Silks, Velvets, Flowers, Ruches, Plumes, Feathers, Bonnets, Hats, Trimmings, etc., which we *guarantee* to sell to *Milliners as cheap as any house* in the trade. In Millinery Goods at *Wholesale* or *Retail*, *we cannot be undersold.*

CLOTHING FOR THE MILLION!

In our Clothing Department will be found decidedly the largest stock in this city, of Men's and Boys' Clothing, principally of our own manufacture, and from the largest and best clothing houses in New York city; also, a splendid line of French and English cloths, Cassimeres and Vestings, and all the superior makes of Harris and other noted manufacturers, which we sell by the piece or yard, or manufacture to order in the very best style. We guarantee to sell to the trade, in small quantities, as low as any house in the Union.

Garments cut to order in the most fashionable style, and trimmed at the very lowest figures. Call and examine our stock, which is one of the largest in the state.

In conclusion, we would say, that we never had a more splendid stock of goods than we have at present. It was purchased in Europe, personally, for net cash, and in invoice from importers and manufacturers, and will be sold by us at a small advance on cost. The old motto of "*Large Sales and Small Profits*," was many years ago adopted by us, to our advantage; and this year, more than ever, we are bound to "go for it."

Very respectfully, McKEY & BRO.
